

# Flute Trill Fingering Chart

C to D	C# to D	D to Eb	D to E	D# to E	Eb to F
--------	---------	---------	--------	---------	---------

This row contains six boxes, each representing a trill interval. Each box shows a musical staff with a trill note and a corresponding fingering diagram below it. The diagrams use solid black circles for fingers to be pressed and open circles for fingers to be lifted. Arrows indicate the direction of finger movement.

E to F	E to F#	F to Gb	F to G	F# to G	F# to G#
--------	---------	---------	--------	---------	----------

This row contains six boxes, each representing a trill interval. Each box shows a musical staff with a trill note and a corresponding fingering diagram below it. The diagrams use solid black circles for fingers to be pressed and open circles for fingers to be lifted. Arrows indicate the direction of finger movement.

G to Ab	G to A	G# to A	Ab to Bb	A to Bb	A to B
---------	--------	---------	----------	---------	--------

This row contains six boxes, each representing a trill interval. Each box shows a musical staff with a trill note and a corresponding fingering diagram below it. The diagrams use solid black circles for fingers to be pressed and open circles for fingers to be lifted. Arrows indicate the direction of finger movement. Some boxes show alternative fingerings separated by 'or'.

A# to B	Bb to C	B to C	B to C#	C to Db	C to D
---------	---------	--------	---------	---------	--------

This row contains six boxes, each representing a trill interval. Each box shows a musical staff with a trill note and a corresponding fingering diagram below it. The diagrams use solid black circles for fingers to be pressed and open circles for fingers to be lifted. Arrows indicate the direction of finger movement. Some boxes show alternative fingerings separated by 'or'.
