

## **Desert Vista Marching Band Parents:**

It is that time again to begin the **District Sports/Activities Clearance** for the upcoming Marching Band season. The registration process has changed from last year and you will find it more user friendly and streamlined for your convenience.

Parents, **please begin the process NOW by registering your student** with <http://www.registermyathlete.com/schools>. You may start the registration process and always return to add the additional "E-SIGNATURE" documents at a later date. As a reminder, this is a state requirement of all athletes participating in any school sport or club activity.

Please fill out the necessary student information on the website. This will help to streamline the registration process as we move forward.

As a reminder, your student will NOT be able to participate in any marching band activities without this process being completed. This must be **completed by May 1, 2017** (all returning members).

Please note... the **Sports Physical must be completed AFTER March 1<sup>st</sup>, 2017**. Any physical dated prior to March 1<sup>st</sup> 2017 will be rejected for the upcoming Marching Band Season (2017-2018).

We have included several Ahwatukee locations that perform sports physicals, if you choose to go to a location outside of your primary care giver. These locations offer same day appointments or even walk-ins. Please note, many insurance plans do not cover the cost of a Sports Physicals. These sports physicals can range between \$15-\$75, depending on the location.

## Helpful Hints When Creating Your Family Account on [www.registermyathlete.com/schools](http://www.registermyathlete.com/schools)

Create *ONLY 1 Account per family* (regardless of # of DV students participating)

You are able to add multiple students (athletes) to your family account.

For the families with multiple students in band or other sports, if you have created an account for another student, you may add band students and change the registration year to your account.

The main login should be the primary guardian for the student (not the student email). You will have the opportunity to add additional parent/guardian information after the initial login account is set up.

Athlete information is the student's main address and the student cell #/email account.  
(you will need the student id# issued to your student at DV)

**Registration year** = 2017-2018

**Sport** = Band

The additional documents, which will need hard copies/signatures, **dated after 3/1/2017**. You can click the “action icon” to print the documents.

AIA Physical (needs physician signature)

Brain Book Concussion Course Certificate (PRINT) or (SCREENSHOT)

Consent For Emergency Care

\*\*\*\*\*

Birth Certificate (NEW students only)

Impact Testing (Not required for Band)

### Options for uploading the documents:

\*You may scan and upload the documents from your home or office.

\*You may use a photo to pdf app on your smartphone such as Genius Scan (free app).

\*You may take a photo, with your smart phone, of the documents and submit them directly to the site.

\*You may go to the DV athletic office to scan and download the documents during office hours.

Each of the above mentioned documents will be accepted through an electronic download. There is no longer a need to bring any documents to the DV office (unless you need to use the office scanner).

The DV Athletic Fee will be paid directly to DV during book distribution in July.  
(all additional Marching Band fees are paid directly to DVBB)
