- **Inappropriate clothing** - You all know that some items are not appropriate for this kind of activity. Stay within our school dress codes. (Also, no tank tops, sleeveless, short shirts, short shorts, and avoid shirts with inappropriate messages on them) I also suggest that really nice clothes stay at home.
- **Questionable items** – If your parents or I would question it – please leave it at home. This category is extremely serious; you will be sent home for this one (at the expense of your parents) and you may lose your spot in the band.
