

My name is John Williams and I would like to be considered for the position of Treasurer. I was elected to this position in the 2013-2014 school year, and have just completed my first term. I learned a lot over the past year, and feel I can use this knowledge to help support the many band programs that our Booster organization supports. I fully understand the serious responsibilities that this job encompasses, and have worked over the past year to meet each challenge with a positive approach. My time spent with Thunder Board, and Band Council has allowed me to work collaboratively to promote the integrity of this Booster organization within the larger school community. I would like to see this Booster organization continue to work together to support the students and Mr. Thye, keeping their best interest at the center of any decision making process. I have just completed my third year as a band volunteer, as my son Spencer is a junior. I have acted as chairperson for the Band Carwash in 2012-2013, and 2013-2014 years, as well as working as an ABODA volunteer in the 2012- 2013, and 2013-2014 school year.

I have a Finance degree from the University of Arizona. I have been working with Wells Fargo for the past 27 years. Over the course of my career with Wells Fargo, I have held various positions such as, Branch Manager (16 years), Marketing Growth Development Consultant (6 years), and Regional Fulfillment Manager (3 years); all of which required money management and people skills. I am prepared to be careful and confidential with any personal or financial information that I would receive. I value the Band program and all the benefits it provides our kids and I am looking forward to contributing to the integrity and continued success of the program.
