

Desert Vista - need 3 50' cords

Electrical on north light pole - Under stands not accessible

Run 50' cord from light pole, south behind stands, to 1st ramp, west along fence

From 1st row stands near ramp - unwind about 25' of 2nd cord and drop under seating

Run 2nd cord under stands and back to 1st cord - Daisy chain 2nd 50' cord to 1st

Plug Power Strip into 2nd 50' cord

Put 3rd reel 50' cord on track for pit - unwind enough cord to run under fence and up to stands, threading up through seating - plug into Power Strip
