

Myrna C. Wolfbrandt

I have been involved with the band program for 3 years in a variety of volunteer roles. I have assisted with Table Sales, Team Pit, uniform alterations, and took on some of the fundraising for this past season.

I have two sons in the Marching Band. Ian Ruacho: is currently a sophomore and Marc Ruacho is a junior. They both are in the Front Ensemble.

Now that I am in my final two years of being a marching band parent, I would like to be of some assistance to the band directors and executive board in helping to make decisions that will positively support the program.
