

2016 All State Auditions

Here are some reminder details about the audition process:

Location:

[Gilbert High School](#) - see the site map for parking and specific room locations

Check-in:

The check-in table will be located in the main hallway near the main entrance doors. Students must have a picture ID at check in to receive their 2 score sheets.

The check-in table will be open on Friday at 3:15p and Saturday at 7:15a. Students will verify name spelling, indicate their "1st choice", and receive 2 score sheets. Students must make a concerted effort not to lose their score sheets (especially important because there are 2 sheets per person).

Warm up & Audition Rooms:

Gilbert HS will have signs posted throughout the building with audition room locations (in addition to the site map).

Students should find their appropriate room before starting the warm up process (Flute/Picc & Clarinet have 2 rooms...Trumpets only have 1). This will reduce last minute confusion and help keep the schedule on time.

The Warm-up room will be the Auditorium.
