Jazz up your summer with this unique camp designed especially for your teen that teaches techniques to improve rhythm, melody & harmony.

Students will learn the ins and outs of improvisation. A great way to prepare for school jazz programs, and develop an appreciation for jazz.

June camp is designed for beginning/intermediate students and July will be designed for intermediate/advanced musicians. The last day family and friends are invited at the end of day to hear what they learned. Directed by Emilio Vargas & Alex Price
