

**My name is Kathy Dolny and I'm currently serving my first term as secretary on the DVBB executive board. I have twin boys, Robert and Billy, who participate in marching, wind, symphonic, and steel bands. My daughter, Emily, was also a member of the DV band. Bill, my better half, supports and encourages my desire to volunteer.**

**Volunteering has always been a passion of mine. I've held multiple positions on PTA and PTO boards. Some include President, Fundraising Chair, Hospitality, Volunteer Chair, and Secretary. While living in Singapore, I was on the American Women's Association Board as the Social Chair tasked to plan monthly luncheons. Each position has given me greater insight into working alongside others, and finding success comes with good communication and the right attitude.**

**This year along with being secretary, I spearheaded a few committees including, Senior Night Out, Bylaw/Policy and Procedure revisions, and upcoming Graduation Water Sales. It's been a pleasure meeting new parents while being a bus chaperone, volunteering at multiple fundraising events, and serving on the board. I look forward to bringing new fundraising ideas and making personal connections to volunteers as your DVBB Vice President to make 2019-2020 a memorable year for all.**
