

Instructions for Shop with Scrip Program Desert Vista High School Band

Thank you for participating in our new fundraising program for the Desert Vista High School Band. This program is open to all families in the Desert Vista Band program and directly impacts your child's band fees. It allows parents and family members the ability to purchase gift cards through Shop with Scrip, pay for them online, and earn money for their child's band account without selling anything. Here are the specifics:

1. **Coordinator for Desert Vista High School Band is Kathy Dolny.** Email vp@thunderband.org Mobile: 480-434-5884.
2. **Invite your family to participate.** Family members can also take part, order paper gift cards, recharge gift cards and order hard cards. Again, they must enter the child's name at account set up and specify Desert Vista High School Band to receive the proceeds.
3. **Hard Card Orders.** Hard card orders will be placed once per week, on Sunday afternoons. Parents ordering hard cards as opposed to downloadable certificates or recharges need to make sure orders are placed by Sunday morning. Hard gift cards will be distributed at each Monday night practice during marching band season.
4. **Recharge of hard cards.** Hard cards not purchased through this program cannot be recharged through this program. For example, if you purchase a Safeway gift card from Safeway, you will not be able enter it into your Scrip Wallet and recharge. If you purchase the gift card through Shop with Scrip, you will be able to add it to your wallet and recharge. Same with Starbucks, CVS, and many other local area businesses that you may frequent often.
5. **Sam's and Wal-Mart are some of the best-selling gift cards.** They are the same company. You may order a Sam's gift card and receive one that says Wal-Mart. All are good at either retailer.
6. **Options.** There are three ways to buy gift cards. A. Purchase a hard card. B. Purchase a downloadable certificate called ScripNow. C. Recharge a gift card in your ScripWallet. ScripNow is the easiest, fastest, and preferred method.
7. **Presto Pay or Credit Card** -Parents must purchase their orders using Presto Pay or Credit card. **Checks will not be accepted for orders.** After you have set up your account, you will be prompted to set up Presto Pay or your credit card.
8. **Enjoy watching your account balance drop!** The treasurer will credit your child's account with money that has been deposited from Scrip.
