

## Bio Elizabeth Stanbridge President DV Band Booster

My name is Elizabeth Stanbridge. I am currently Vice President and I'm hoping to be President on the Band Booster Board for the 2022-2023 school year. I have learned a lot this past year and look forward to continuing to support the DV Band program.

My son is a Junior who plays Bari Sax primarily and many other instruments. Our neighbors are fortunate he is a good musician because he likes to practice in his room with the windows open! He is aspiring to major in Music Education and has enjoyed and benefited greatly from the band program.

I have been involved as a volunteer in the band program as bus chaperone, roadie, water crew, first aid, otter pop distributor, t-shirt orderer, and whatever other things the band program needs. I was fortunate to be able to go to all of the competitions and games as bus chaperone/first aid/water crew this last year and was so proud of our kids as they worked to have an outstanding season.

For the last two years, I served on the booster board as Thunderboard rep and then VP. We have had to be creative and figure out new ways of doing things when the pandemic made the old ways of doing things not work anymore. I have learned how to best support Mr. Thye, his staff, the students, and our band families and would like to continue and be able to provide continuity for future boards. Thank you for your consideration.
