

Bio Chanelle DeGraff Vice President DV Band Booster

My name is Chanelle DeGraff and I am running for Band Booster Vice President. For the past seven years I have enjoyed being a band mom and continually find myself in awe watching all of the students grow musically and personally. My oldest daughter Lauryn marched piccolo her freshman year and tenor sax her remaining three years. She played the flute for concert band and is currently attending Grand Canyon University in Glendale. Jasmyn is a freshman at ASU Downtown and was the drum major for marching band her junior and senior year and played Tenor Sax in Wind Ensemble. Kristyn is a junior and plays clarinet for Marching Band and Concert band.

My goal as Vice President is to support the band by successfully completing the requirements of the role while encouraging continuous improvement in communication and organizational processes and helping increase parental involvement in the booster organization.

Some of my volunteer activities include:

Band President for Altadena Middle School band during the 2018-2019 school year.

I manage the DV Staff Appreciation committee and the VP Communications for the Ahwatukee Foothills chapter of NCL.

I also enjoy helping with band events serving in the hospitality area.

If you feel my background and willingness to serve help support the band's goals and mission and you are willing to vote for me, I would be glad to serve as Vice President for the Band Boosters.
