

**On behalf of the DV Band Boosters, welcome to the Thunder Band Program!**

The Boosters are made up of parents, family and friends who work together to support our students and staff throughout the year - from marching band in the fall to jazz, guard and drumline in the winter, spring steel band, and all year long in the performing ensembles program. It's a big job and we would love to have your help!

Volunteering is a wonderful way to meet new friends, support valuable programs, and above all, show the students how much they matter. We have many dedicated, experienced committee chairs and volunteers already in place who are looking forward to meeting and working with you.

Check the band website [thunderband.org](http://thunderband.org) often for important notices and information updates. Volunteer opportunities are explained on the [Committee Descriptions](#) page. We encourage each family to take a look at this and choose at least one committee you'd like to support.

Please note the mandatory parent/student meetings on the band's [Google Calendar](#) and mark your own calendars or link to your Google Calendar. This is a 'live' calendar, and will have the most up to date information about upcoming activities and events in the program. Please check the band's Google Calendar often!

We hold 4 booster meetings per year: one in April/May (elections & new marching season), one in June/July (before band camp), one in September (for all band programs) and one in January (for all band programs). Check the [Google Calendar](#) for dates.

E-mail is our main communication, so please be sure we have your correct e-mail(s) on file. Please send updates on your contact information to [register@thunderband.org](mailto:register@thunderband.org).

If you have any questions, please contact us at [welcomed@thunderband.org](mailto:welcomed@thunderband.org).

We look forward to sharing the next band season together!

Your Band Booster Executive Board
